26 *Be it enacted by the Legislature of the state of Utah:*

27 Section 1. Section **54-3-2** is amended to read:

28 **54-3-2. Schedules of rates and classification -- Right of inspection -- Changes by**
29 **commission -- Online consumer access to usage data.**

30 (1) Under the rules and regulations made by the commission, [~~every~~] each public
31 utility, shall file with the commission within the time and in the form as the commission may
32 designate, and shall print and keep open to public inspection, schedules showing all rates, tolls,
33 rentals, charges, and classifications collected or enforced, or to be collected or enforced,
34 together with all rules, regulations, contracts, privileges, and facilities which in any manner
35 affect or relate to rates, tolls, rentals, charges, classifications, or service.

36 (2) Except for motor carriers exempted under federal law, nothing in this section shall
37 prevent the commission from approving or fixing rates, tolls, rentals, or charges from time to
38 time greater, or less, than those shown by the schedules.

39 (3) The commission shall have power, in its discretion, to determine and prescribe, by
40 order, changes in the form of the schedules referred to in this section as it may find expedient,
41 and to modify the requirements of any of its orders or rules or regulations in respect to any
42 matters described in this section.

43 (4) (a) Each distribution electrical cooperative and electrical corporation shall provide
44 each nonresidential customer access to the customer's usage data.

45 (b) Each distribution electrical cooperative and electrical corporation shall provide the
46 access described in Subsection (4)(a):

47 (i) broken down into usage intervals of 15 minutes or less; and

48 (ii) through an online Internet portal.
